## BIG SHOUT OUT TO THE AMAZING CAST OF "ANYONE BUT YOU"

Thank you, Terri, Aref and Aaliyah for bringing my characters to life. I love you all!

Thank you to all of my family and dear friends who have supported my theatrics for all these years- especially those in attendance! I never could have been a broke actress, director, playwright and producer without you!

For all of you dreamers out there- Every dog has their day and I just collected another milk bone here. So, don't ever feel like your words or actions cannot change lives or bring a smile in our sometimes dark world. The world is your stage! Dream, then do.

If any locals, in the Pasadena, MD area, would like help preparing for an audition or would like a dramaturge to assist with feedback on a script, or just want to collaborate on anything "theatre", feel free to reach out via email to [regangarnett@gmail.com](mailto:regangarnett@gmail.com) or find me on Facebook or Instagram.
